Saving a Search as an Alert

You can save searches as alerts and have EBSCOhost e-mail you with any new results. You can also retrieve those alerts to perform the search immediately, instead of waiting for the alert to run. There are two ways to save your search as an alert.

To save your search as an alert from the Share link:

1. Run a search on EBSCOhost and view your search results.
2. Click the **Share** link and select **E-mail Alert** from the resulting pop-up menu. The Create Alert window will appear over the result list.
